

KYC, INC. BOAT STORAGE RULES

(Revised May 1, 2018)

KYC, Inc. (“the Club”) extends seasonal boat storage privileges for the benefit of its members and temporary or overnight docking privileges for its guests and transient boaters. The Club accepts no liability for property damage or injuries resulting from the extension of these privileges. The Club’s Board of Directors (“Board”) shall use its discretion to address exceptions or conflicts resulting from the enforcement of all rules, policies, and procedures, relating to boat storage. Boat Storage privileges will only be granted to members in good standing (“Renters”) and subject to availability.

Slips are limited to one slip per paid club membership (family or single)

Waiting lists for both inside and outside storage are posted at the Club for review by all members. Members interested in boat storage must sign the appropriate list (inside or outside) and enter the required information. Renters of storage space in the Sailing Club will have first right of refusal for outside storage spaces that become available on the East Side of the harbor. The Boat Storage Committee is responsible for monitoring each list and will notify the person at the top of the list when space becomes available. The member will have seven (7) days to accept/reject the opportunity. If the member does not respond or rejects the opportunity, their name will revert to the bottom of the list. If the member accepts the storage space, fees for storage will begin immediately to hold the space until an appropriate size boat is purchased but no longer than May 1st of the following boating season. If the storage space becomes available between January 1st and May 1st of the current year, the member will have an additional ninety (90) days after the May 1st date. (“Grace Period”) of the current year to purchase an appropriate size boat. Interim rental costs will be based on prevailing boat storage rates. If an appropriate size boat is not purchased by May 1st (or expiration of the Grace Period) of the following boating season, the storage space will revert to the Club, all interim Fees paid will be forfeited and the next member on the list will be contacted.
